Trainings / Internships

- **Summer Industrial Training at ONGC.** In this training, we were given industrial experience in working with different technologies. We were given real-life projects related to our domains like **Web, ML/Artificial Intelligence** etc. I have chosen Web Development, so I was given a project to make a website like the **ONGC Employee Management Website**.
- **Online Training on Core Java by Internshala.** The training consisted of Getting Started with Java, Leveraging Basics Concepts, Object Oriented Programming and Java App Development Modules. I scored 96% in the final assessment and was a top performer in training.

Technical Courses Completed

- Agile Methodologies by IBM
- Core Java
- Programming in Java by Swayam
- Web Penetration testing
